

2/3. Gull Lochs and Clash Carnaich

Grid Ref: NC280525

Brown Trout

Best Wind: Any Direction (North and North East not so good)
Recommended flies: All small Trout flies size 12 - 16

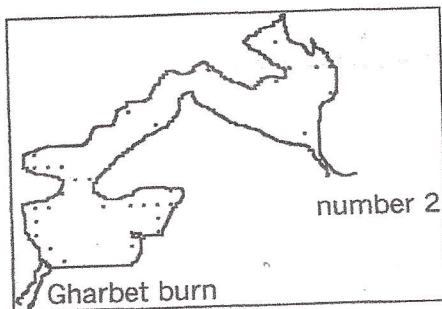

Main Lies:

- Any where. More chance of fish in Gull lochs. Several un-named lochs in vicinity worth a try as well.
Brown Trout: average size 6 -8 oz smaller in Clash Carnaich
- n.b Some of the un-named lochs contain much larger Trout: up to 1.5lbs. Fish the burns running out of the loch, near the boat.

4. Number One

Grid Ref: NC278505

Brown Trout

Best Wind: Any wind except North East.
Recommended Flies: All small Trout Flies esp Grouse and Claret Peter Ross
Black Gnat Black & Peacock Spider

Main Lies:

- Anywhere along bank near submerged rocks, esp banks either side of Gharbet burn, fish along shore line as trout live around rocks only 2 -10 feet from bank.
No boat.

Average size 6-8oz, v. wild fish with beautiful markings.
Some much larger fish (2-3lb near burn into No.2)
All numbers lochs have very good fishing.
